

HW02 Clear

Fire protective varnish B-s1,d0, REI30, EI60

HW02 offers protection to B-s1,d0, K210 and/or EI60 for wood substrates. It is a water based clear intumescent varnish, tested also on previously painted surfaces.

HW02 tested for the European market, with EN 13501-1 classification to B-s1,d0, K210 and EI60 and it has been tested for Indoor Air Emissions.

It is a thin film varnish, with a total of 250 μ WFT. HW02 needs a topcoat, we can offer HW EnviroClear topcoat.
